

MAC 270 Dinghy

Love me tender. This handy pontoon boat is built to carry your mates and your gear. It's easy to manoeuvre, with plenty of buoyancy. As a tender it's light enough to tow along or toss on the deck. As a fun boat it can be easily handled by less experienced boaters no problem. Plus it's durable enough to take the punishment from a hard life. Now rated to 8hp to get back to the beach or wharf faster!
