

MAC 360 Forward Steer

A great lake, or estuary boat, or tender that can take the occasional hard knock against jetties, shores and rocks. The convenient forward steer position makes it really maneuverable and leaves plenty of room for friends and your gear. This boat is also ideal for the serious fly fisherman or diver. Easy to launch from a beach this MAC 360 is a great boat for the holiday home or as a tender on a large boat.
